

The perfect support to your

Interior Design Project

DESIGN BY  UBER

A turnkey service from creative concept
through to completion

INTERIOR ARCHITECTURE &
DESIGN SERVICES

We design creative, luxurious and timeless interiors
that not only enhance your lifestyle
but also add significant value to your property

SIMON EVANS,
MANAGING DIRECTOR

Whether your project is a new build, extension, refurbishment or complete home transformation our experienced and knowledgeable team offer end-to-end guidance. From the selection and procurement of all materials for your entire project we creatively enhance layouts to maximise space and perfectly fit your lifestyle.

We are a multi-award-winning interior design studio based in Cheshire. We work primarily across the Northwest of England as well as London and on occasions further afield.

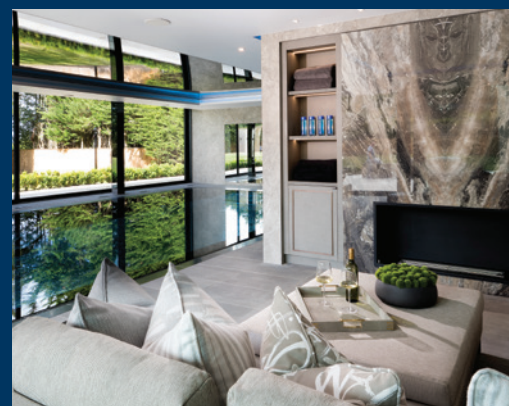

With 450+ projects completed to date and over 15 years of technical and design expertise, we continue to build strong and respected relationships with both our clients and industry professionals - be they residential, commercial or hospitality.

We provide a seamless, transparent, bespoke and cost effective service that delivers on our promise. Regardless of your style or budget, we can also help you find the perfect furnishings through our sister company UBER Interiors.

“This Interior Design Studio has amassed a formidable team incorporating more strength and depth than any other design agency we know of ”

CONCEPT ELEVATIONS

Once the layouts are agreed and frozen, we will then focus on the details of each area providing intricate rendered elevations of every aspect of the design. Showing you the proposed colour palette, soft furnishings and materials. This way, you can get a true sense of what your space will look like.

TECHNICAL DRAWINGS

We consider ourselves one of the most technically minded studios in the UK. We match creative flair with structural and technical know how, to deliver design information that supports the entire professional team. All details are drawn, dimensioned and any sections through the details are produced to ensure total site understanding with a keen eye on buildability and value.

We work with
focus, structure
& transparency

DETAILED DESIGN PACKAGES

From the get go we provide structured and transparent fee proposals that follow RIBA stages, backed by workflow processes that guide you through the design and tender journey. This provides you with stage based opportunities for creative involvement whilst establishing cost certainty and fully supports the professional team in producing all of the relevant information to execute a successful project.

We come with experience

OVER 450 PROJECTS &
MULTIPLE TOP AWARDS

Our work is continuously being recognised and awarded, having won 25 Awards, through SBID, UK Property Awards, Design Et Al, The International Design & Architecture Awards, Designer of the Decade IDA Awards, BUILD Architecture Awards, Northern Design Awards, CEDIA Awards and Andrew Martin International Designer of the Year Awards.

We are tremendously proud to be able to say that we have been acknowledged with more awards than any other Interior Design Studio outside of London.

What the press say

Design by UBER delivers exceptional properties which have been featured extensively in the media from TV coverage in NETFLIX 'Amazing Interiors' to editorial features in VOGUE and all the top national tabloids and broadsheet press.

We are honoured for this recognition within our industry, but what really drives us is our clients' appreciation for what we deliver and for truly enhancing their lifestyle.
